

BENECOR® DEF MINI-BULK FLEET 500 GALLON SERIES

BENECOR® DEF MINI-BULK FLEET 500 GALLON SERIES DELIVERS THE ULTIMATE IN PROVEN DEPENDABLE OUTDOOR DEF DISPENSING AND STORAGE.

ENGINEERED FOR THE FLEET CUSTOMER

An original BENECOR® design, we specifically engineered our rugged system to withstand the challenging environment of the Fleet customer. Because DEF freezes at 12°F (-11°C), we offer a unique Cold Weather package designed to withstand even the harshest cold weather conditions many Fleet Customers experience.

ISLAND-FRIENDLY

Our Fleet DEF 500 Gallon Tank Enclosures are designed to fit on a standard Fueling Island. Dimensions: 85" Wide x 89" High x 48" Deep.

TURNKEY — NOTHING IS FASTER OR EASIER

Our DEF Tank Enclosures are designed for simple use with other BENECOR® and/or third party DEF Dispensing & Storage equipment.

RELIABLE & DURABLE

Our rugged fiberglass based unit is fully tested to help ensure years of trouble-free use. Paired with the durable, high quality products you've come to expect from BENECOR®, our DEF 500 Gallon Tank Enclosures are a smart solution built to suit the DEF dispensing and storage needs of the Fleet Customer.

SECURE

All BENECOR® DEF 500 Gallon Tank Enclosures are equipped with both a lockable front access fill door for security and service as well as a Rear Service Access Door.

STANDARDS / APPROVALS

All BENECOR® DEF 500 Gallon Tank Enclosures meet the ISO 22241-3 & 4 standards for the dispensing and storage of DEF.
